

On Monday June 4, 2007, at 7:30 p.m., Chairperson Eric Minks called the Regular Monthly meeting to order. Other members present were Carl Sanford, Tom Braun, Eugene Stoeckel, and Greg McBroom. Larry Ziebarth and John Moosbrugger were absent.

The first item on the agenda was to approve the minutes of May 7, 2007 as printed. Chairperson Minks indicated that an e-mail was received from Larry Ziebarth stating that his absence at the last meeting should be noted as excused, since he was not able to attend because of work. John Roxbury, Jr. and Tom Braun indicated that everyone needs to work and it did not need to be noted as excused. Chairperson Minks indicated that the issue was discussed, but nothing needs to be corrected. A motion was made by Tom Braun and seconded by Eugene Stoeckel to approve the minutes of May 7, 2007 as printed. Motion Carried.

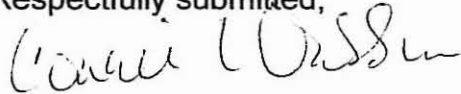

The next item up for business was the Comprehensive Plan discussion. The main issues that were discussed were river conservation and commercial zoning. After much discussion, the Planning Commission decided to continue with the motion that was set forth for the Town Board at the last special meeting. They could then get the Town Boards input and decide on which direction they would need to proceed with.

Chairperson Minks motioned to recommend to the Town Board that they start looking at the road plan (the one that Todd McLouth have given to the Town Board a couple of years ago) and make that the official road plan for the commercial area along Highway 169. Greg McBroom seconded the motion. Motion Carried.

The next item up for business was Open Forum. There were no residents present that wished to speak.

A Motion was made by Tom Braun and seconded by Carl Sanford to adjourn the meeting at 9:00 p.m. Motion Carried.

Respectfully submitted,

Connie Wubben
Deputy Clerk
