

On Monday, June 2, 2008, at 7:30 p.m., Town Board Liason John Moosbrugger called the Regular Monthly Planning Commission meeting to order. Other members present were Eric Minks, Larry Ziebarth, Eugene Stoeckel, and Mark Riverblood. Tom Braun and Carl Sanford were absent.

The first item on the agenda was to approve the minutes of May 5, 2008 as printed. A Motion was made by Eugene Stoeckel and seconded by Eric Minks to approve the minutes of May 5, 2008 as printed. Motion Carried.

Larry Ziebarth stated that if the Township does not specify anything in the ordinances regarding the kennel permit and recreational camping issues, he feels they should just go along with the Counties' ordinances. He also feels that as far as the kennel permits, when the Township's ordinances do not specify, they could fall back on the Counties ordinances. Mark Riverblood stated that he agrees and feels the Counties ordinances for Recreational Camping are good. John Moosbrugger stated that the Planning Commission could look into having a general clause somewhere in the ordinance that states, wherever the Counties ordinances are more restrictive, that shall govern.

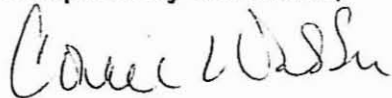

Eric Minks motioned to table the entire agenda until next month when a full commission would be present. Larry Ziebarth seconded the motion. Motion Carried.

John Roxbury, Jr. stated that he gave each member a copy of the green infrastructure map from the County. He stated that the areas on that map do not line up with the Township's map, so they may want to look into that further.

There were no residents present that wished to speak.

A Motion was made by Eric Minks and seconded by Mark Riverblood to adjourn the meeting at 7:43 p.m. Motion Carried.

Respectfully submitted,

Connie Wubben  
Deputy Clerk
